

**Sample - Peer Educator Basic Knowledge Evaluation**

Date: \_\_\_\_\_

Staff Person Conducting Evaluation:

\_\_\_\_\_

Peer Educator Name:

\_\_\_\_\_

Peer Educator work start date:

\_\_\_\_\_

**General Information:**

What are your job responsibilities?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Have you had a job performance evaluation? \_\_\_\_\_ If yes when? \_\_\_\_\_

What does harm reduction mean to you?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

What do think your strong points are?

---

---

---

What is the purpose of outreach?

---

---

---

What do you talk to people about during outreach?

---

---

---

---

Hepatitis Knowledge:

Name three common types of hepatitis and how they are transmitted:

---

---

---

---

Describe how when preparing drugs for injection hepatitis infection is transmitted:

---

---

---

---

---

---

---

---

---

---

---

---

**Demonstrate Safer Injection Related Information:**

Demonstrate safer preparation of drugs for injection

Demonstrate safer sharing of drugs for injection

Demonstrate safe injection techniques:

Intravenous  Intramuscular  Subcutaneous

What is the difference between a vein and an artery?

---

---

---

---

**Testing Related Information:**

What is the difference between confidential and anonymous testing?

---

---

---

---

Can you describe the difference between self-testing and self-sampling testing?

---

---

---

---

What is the window period for HCV anti-body testing?

---

---

---

---

**Skill improvement needs:**

What trainings or assistance do you feel you need to do your job better?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**Evaluators Notes:**

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---
